Fiddlehead Cellars Winery & Tasting Room

Our winery and tasting room is located in the “Lompoc Wine Ghetto”, an Industrial Park of blue and white metal buildings directly behind Home Depot in Lompoc. To reach us from the east, drive west on Hwy 246 towards Lompoc. At the stop light at Hwy 1, (you’ll see Home Depot ahead to the right), turn right onto 12th Street. (Highway 1 South is to the left.) Then, take the first left onto Industrial Way, go past 9th Street and continue straight until the road turns into an alley. Enter the alley, and then take an immediate left in the parking lot before the first building. Continue toward Home Depot - Fiddlehead is the building straight ahead. The entrance faces the back of Home Depot. (Hey, it’s not only a landmark, but it comes in quite useful when something breaks!)

If you are driving up Hwy 1, just continue straight onto 12th Street and follow the directions above.
