Dijon Clone 115, north facing slope  
on the darkest soils at Fiddlestix

Harvest Date: September 11, 2002

Bottle Date: February 12, 2003

Bottles Produced: 591

Winemaker comments:

Full-bodied and voluptuous, kind of like Sophia Loren in one of her very classy moments. Rich, dense, and juicy in a most indulgent way. Sophisticated and enticing, but not too formal, more like Omar Sharif in a white dinner jacket— smoldering, seductive and slightly dangerous!
