## **BABETTE JOSEPH – Chef Extraordinaire / Kathy’s Mom**

Each shipment released to Wine Clubbers includes a perfectly paired, mouth-watering, extraordinarily interesting recipe. These hail from the incredibly talented Babette of “Babette’s Kitchen”, also known as “Kathy’s Mom”.

With a degree in Home Economics, she has taught interior design and has overseen recipe development for internationally distributed food companies. And if that isn’t enough, she throws a great party and is a wizard in the kitchen to boot! Babette is truly a CBC (Chef Beyond Compare). During those long days and nights of harvest, it is a welcome relief to the FiddleCrew to hear that Babette is coming to town.

There is no doubt that Kathy’s sense of “nose” is genetic!
