FIDDLICIOUS PAELLA

PREPARATION

Place the paella pan on a cook top. It may be necessary to use more than one burner to ensure uniform heat distribution.

Completely cover the bottom of the pan with extra virgin olive oil.

Carefully place sliced chorizo in the pan and brown on one side.

Turn the chorizo, and add cooked chicken thighs.

As the chicken heats, add the shallots and garlic. Turn the chicken and add the piquillo peppers and San Marzano tomatoes.

Add the Bomba rice and stir to fully incorporate the ingredients, making sure the rice is fully coated with the emerging sauce.

Pour in the wine and reduce by about 30%.

Add the warmed stock and mix well.

Allow to simmer for several minutes, until the rice begins to swell.

Season with smoked paprika and cook for another 5 minutes or so, until the stock has reduced by about 50%.

Add the clams and mussels and continue cooking until they begin to open. (The rice should be at about the "al dente" stage.)

Mix in peas and shrimp, cover and cook for 3 minutes.

Remove from heat and let rest for 10 minutes.

ASSEMBLY

Garnish with chopped parsley, lemon wedges and Serrano ham.

** Chef's Note: Traditionally, paella is served directly from the pan, family style.*
