- Happy Canyon Sauvignon Blanc, Santa Ynez Valley, 2010** **Our Signature SB** **\$ 25/btl**  
Our signature, Loire-styled Sauvignon Blanc. This silky-textured wine illustrates the beauty of the blend and tames this varietal into amazing elegance: 1/3 fermented in stainless steel for bright aromatics and zinginess, 1/3 fermented in new French oak barrels for layered textures and persistent flavors and the final third fermented in neutral French oak barrels to achieve marriage and grace. A chic, less herbal style, with little hints of cloves (according to Maya in Sideways!).
- Hunnysuckle Sauvignon Blanc, Santa Ynez Valley, 2008** **100 Cases Produced** **\$ 34/btl**  
Our sophisticated, Bordeaux-styled Sauvignon Blanc. This indulgent and seamless design is meant to be a richer, more viscous offering. It ages incredibly well, and offers peculiar freshness and refinement with bottle age. Luscious and silky without being excessive and extravagant. The "Chefs' Choice!"
- Goosebury Sauvignon Blanc, Santa Ynez Valley, 2012** **240 Cases Produced** **\$ 34/btl**  
Our sassy, New Zealand-styled Sauvignon Blanc. Alluring aromatics combine with palate pleasing textures and vibrant acidity to showcase the pure essence of Sauvignon Blanc grown in the Happy Canyon of Santa Barbara AVA. Zingy like a New Zealand wine, juxtaposed with the elegance of a Sancerre; it's bright, crisp and refreshing!
- Sweetie Late Harvest Sauvignon Blanc, 2012** **57 Cases Produced** **\$ 35/btl**  
Sweetie is just that: an irresistible little darling delight, fashioned as an easy-to-love, lighter-style dessert wine. This wine is all about balance and strives to tame the "excessive" in too many dessert wines. It is delightfully and subtly fragrant, surprisingly light on the palate and wonderfully concentrated without being heavy.

Showcases unmistakable Fiddlestix fruit: dark and juicy, fabulous perfume with a sexy palate and a smooth and silky length. Supple tannins, broadly textured, saturated with the essence of sweet plums and black cherries and that fabulous cola spice.
